

COVID-19 STATEMENT

Because the safety of our patients and our staff is our primary concern, we are implementing protocols recommended by the American Dental Association (ADA) and the Center for Disease Control (CDC) to reduce the risk of transmission of the novel coronavirus, or COVID-19.

UPDATE: 17 March 2020

American Dental Association (ADA) recommends dentists nationwide postpone elective procedures. Per this recommendation we will be closed starting **March 17, 2020 at 5pm until March 30, 2020** unless further guidelines require us to close for longer.

If you have a dental emergency please call the office immediately so we can make arrangements to see you. Concentrating on emergency dental care will allow us to care for our emergency patients and alleviate the burden that dental emergencies would place on hospital emergency departments.
